*Creating Your African Memories*

Fly from Kasane to an Island Lodge for 4 nights in the Okavango Delta, this particular situation is widely accepted as being the most spectacular permanent water site in the entire Okavango Delta, which, in the midst of the Kalahari sands, is Africa's largest and most awe-inspiring oasis. The Okavango River rises in the highlands of Angola yet never reaches the sea; instead its immense waters empty over the sands of the Kalahari where its great desert thirst is quenched in a wilderness of fresh water lagoons, channels and islands.

Fly out to Maun, Botswana, to connect with your Flight to OR Tambo Airport, Johannesburg.
